

CLUB ACTIVITY CALENDAR (20____ - 20____)

CLUB

LEADER

This form will serve as a record of the events, activities, and meetings your club expects to participate in during the year. In the event of an accident, events listed here will be considered "official" and therefore subject to coverage by the 4-H insurance carrier if appropriate. Be as accurate as you can, but remember, the date is not as important as documenting your intent to pursue the listed activities. (i.e. a field trip planned for June that must be postponed until July is still "official" if recorded here) include county wide activities too, such as Fair, Fashion Revue, demonstrations, field trips, etc.

Return one copy to the office, and retain a duplicate for your records

October	April
November	May
December	June
January	July
February	August
March	September
