

RENSSELAER COUNTY 4-H PROJECT RECORD

OBJECTIVE: To help 4-Her's learn the responsibility and the expenses of taking care of their project equine and make sure their horse is healthy and happy.

DIRECTIONS: Pages 1-8 in this project record must be completed in full to the best of the 4-Her's ability to receive credit for this project year in most horse clubs. If a section does not apply, please enter N/A in that section. Records are graded on neatness, completion, record keeping, and goals. In order to qualify for an excellent record keeping award, all pages (not just 1-8 pages) must be completed to the best of the 4-Her's ability. Non-horse members should make a "dream Horse" project and fill in all information required as if they owned and would be taking care of that equine. If you need help, your leader or parent will help you, but it is the 4-Her's responsibility to fill out the project record. Members 12 and over are suggested to use ink or be typewritten. One color ink is preferred. Younger members may use pencil.
