Mark Solan, NYSDEC

John Van Raalte, Occupational &

Environmental Health Center of Eastern NY

Lynn Braband, Cornell IPM Program

- You must attend **every hour** of this training to receive credit for taking this course.

- Registrations taken on a first come, first served basis. Registration is open until Jan. 26 or until class is full.

- Attendees may take the pesticide exams at NYSDEC in Schenectady in March or at their own convenience at a later date.

In case of snow/severe weather

conditions: Every effort will be made to notify class participants of class cancellations. February 5th and 12th may be used as "make-up" class days if a previous class must be cancelled. Be assured that class will be cancelled only under severe weather conditions.

Persons convicted of a felony may not be eligible to become a certified pesticide applicator. Please contact the NYS DEC at (518) 402-8748 for more information.

NOTE: Insufficient registration may result cancellation of the 7a training portion of this training.

Directions to Cornell Cooperative Extension of Rensselaer County:

From Albany: (exit 23 off NYS Thruway) Travel north on Rt. 787 to exit 8. Take a right at the end of the ramp and another right at the next light. Cross the Green Island bridge and take a right at the second light onto 6th Ave. At the second light take a left onto State St. We are located on the 2nd floor of the brick building on the top of the hill to the left.

From Route 87 (Northway): (exit 24 off NYS Thruway) Take Exit 7 to route 7 east. As you cross the Collar City Bridge (Hudson River) take the "Downtown Troy" exit, stay in the left lane of the exit ramp to 6th Ave. At the fourth traffic light (State St.) take a left and park in the parking lot at the end of the street. We are located on the second floor of the brick building labeled "Health Building".

30 HOUR TRAINING COURSE FOR PESTICIDE APPLICATORS*

**Category 3a
Turf and Ornamentals &
Category 7a
Structural And Rodent**

**February 2, 3, 4,
9, 10, 11
2010**

**Sponsored by
Cornell Cooperative Extension
of Rensselaer County**

* This class is offered pending final DEC approval. As such, details are subject to change.

Purpose: This course is offered as *part* of the training requirements needed for people seeking to become certified as pesticide technicians in category 3a (turf and ornamentals) OR category 7a (structural and rodent) by the New York State Department of Environmental Conservation (NYSDEC). As such, 30 hours of training must be presented to class attendees. For *complete* requirements, contact the NYSDEC at (518) 357-2234 or visit the website

<http://psep.cce.cornell.edu/certification>

Course Content: Topics covered in this training include: Becoming a Certified Pesticide Applicator; History of Pesticide Use; Introduction to Pests; Pesticide Labels; IPM; Pesticide Application and Equipment; Mixing and Filling; the Worker Protection Standard; Calibration; Pesticide Storage and Disposal; Toxicity of Pesticides; Pesticide Safety; Pesticide Information Resources; Category Specific Topics

Class Materials: Class attendees are encouraged to bring a pen or pencil, notebook, and calculator to each class.

Registration fee includes Core and Category 3a OR Category 7a pesticide training manuals.

The pesticide exams will be given in March at the offices of NYSDEC in Schenectady

Class space is limited. Register early to avoid disappointment. Deadline is January 26, 2010 OR WHEN CLASS IS FILLED.

• **Note:** This course might be co-listed as a Private Category 25 training class by the NYSDEC. Attendees are welcome to register as a Category 25 participant, but should be aware that the instruction will focus on Category 3a content and materials.
